A great reading that I needed in this present time. Very good and confirming everything that I know to be true. I will be back for more readings with Mike soon!

•Good

Mick is good.He tells you the facts and does not sugar coat.It maybe not what you want to hear but what you ought to hear.

Margaret 28/02/2021 08:42:39

•Thank you as always

Always straight down the line.. I love your readings cos you explain each card and what it represents and you are so in tune with poi... Michael doesnt tell you what to do or what your options are... he tells you the situation clearly so YOU are armed to make the right decision... although decisions aren't always easy to make with insight its that titch easier... (hard for me lol) but Michaels cards are spot on. Thank you Michael... very much... I have hard decisions to make ahead... xx

Mememe 19/02/2021 10:31:35

Chloe Bell 17/02/2021 13:36:55

•Always on point

Mick has done a couple of my readings and both the things he has read has come to light which helped me avoid negative circumstances from happening, he also so informative and explains the cards well.

francesca levatori 14/02/2021 19:09:20

•good

Michael could read my situation but not 100% right...! his prediction wasn't right. he said my boyfriend and I are over..after the reading I called my boyfriend right away and now it's all good... we reconciled :) anyway he could see we had a big fight without mentioning it.

Debbie 14/02/2021 11:51:23

•amazing

•Gifted and wonderful

Michael is all around amazing! He got everything right about my question and I really didn't say anything apart from what I wanted to know. I also felt like I was chatting with a long time friend. Loved him and will recommend him to anyone. Thank you so much Michael 😊

What an amazing man, he tells you as it is and gives great guidance from what he sees in the cards.

Sar 04/01/2021 11:08:51

•Amazing

He said facts n the truth that I needed to hear and everything was accurate

Sali Gord 02/01/2021 22:02:37

•Not for me

Very generic. No predictions. Feel the reading could have been about anyone. Also quite short when I asked questions.

Laura Jc 20/12/2020 08:46:25

•Thank you.

Streight to the point and very accurate. Will definitely take your advise. Would highly recommend.

•Spot on

Michael was spot on about my relationship. It's now up to me to make a decision or act accordingly.

Jayd 04/12/2020 17:54:16

•Quite accurate

Before even posing my question, Michael already knew what I came for. I barely spoke and he just gave me his reading of which the majority spoke the truth and the cards clearly showed what was happening. Whilst truthful, he was also reassuring which was comforting as I didnt go into panic mode. Thank you Michael

ER13 03/12/2020 18:14:49

•Honest

Mike was very cam and honest. His reading gave me hope. A compassionate reader. Thank you

VenTo 29/11/2020 18:08:05

•Great at messaging

Michael was really good I found. He was the only one that picked up my person in question had a dark side to him. Also the fact he mentioned things I had to put into place, of which I had been telling myself the exact same things without me even telling Him anything. I didn't need to ask questions Michael just kept coming back with no hesitation of the situation. A good reader is one that tells you what you need to hear not one that tells you what you want to hear as sad as it may be , & I felt Michael does this.

Mjooles 26/11/2020 09:59:47

•Very fast

Michael was fast, reassuring and direct. Let's see what happens :)

•**Excellent**

Had a reading today re something I didn't have clarity on. He described the person & their issues, to which I did doubt as this person did not show up to my in this way. However, Michael was spot on when I found out what was really going on under the surface. Truly excellent reader

reading made a lot of sense

LouiseChrystal 26/10/2020 12:35:08

•**Very good**

Hi Had a great reading and was very frank with what he found. Most readers I have had continue to tell you his into you or he loves you instead of been upfront and truthful .. so good reading hit the nail on the head and I do appreciate your honesty as you have confirmed what I felt all this time on my heart but didn't want to admit as various readings would tell me the opposite of what you told me today ... so thank you

Carol20 16/10/2020 16:48:59

•**Kind, kind Person**

He is super gentle, kind and tells you what you need to hear but in the nicest way. We had a good chat and honestly I wouldn't hesitate for anyone to just have a chat with him, see what his cards reveal. He is very intuitive .

Emma26 28/09/2020 17:52:12

•**Would not recommend at all**

He took a very long time explaining the meaning of the cards and told me 'he could be wrong' he also didn't pick up on a lot of things to do with my situation.

Rebeccaxx 28/09/2020 16:21:52

•clarity

Michael was was quick with his answers based on his card reading it picked up on me well and possibilities, lets see.

London 28/09/2020 11:26:00

•Always good

I had a reading a few months ago and Michael correctly predicted an event and told me how a situation might play out. He was right on that too. Gave me the kick up the backside I needed today and was right again with what he saw in the cards!

AmyC 26/09/2020 16:45:58

I gave absolutely no details, yet the reading was spot on. Everything was clearly detailed and explained, so there wasn't any confusion of what the reading was telling me. Thank you very, very much Mick! Have a lovely day! :)

Sapphiremay 09/08/2020 13:46:03

•**Very slow and confusing**

I ended the session because none of the things he told me was accurate or represented my current situation. He took a very long time explaining the meaning of the cards and told me he could be wrong.

had a tarot reading on my current relationship kind of made sense , kind of didn't. Related to bits of it but maybe if we wasn't cut off I could of asked some question to clarify, as he likes to finish all the cards before you say anything. Will keep in mind what was said

Mick gave me a great read. I feel like I was at a cross roads with choices in my life and speaking to him just cleared a few things for me. Making hard choices is never easy but Mick really reassured me with the potential outcome. Thank you so much! x

Jenny_T 22/06/2020 13:09:15

•Connection

I had a Chat Reading with Michael. I did not feel the connection. He drew 5 cards and explained at length how each one pertained to the question. I was watching the clock ticking (20mins). When I asked a question during the lengthy time it took him to respond, he asked if I was listening which threw me off. I thought the customer controlled the direction of the reading? However, some of his points were valid. Also, as a fellow psychic, I appreciate you do not connect with all and also that he had brilliant reviews from others, therefore I would say, he may be great for others, but a strict tarot reader in my opinion providing textbook meanings did not bode well for me. I do wish him well. Thanks

RD82 21/06/2020 22:46:28

•Quick and to the point

I enjoyed this reading, Mike was quick and to the point. I hardly said anything and he was able to pick up on things. Gave me a full description of what the situation was and was on point. I enjoyed the brutal honesty that he shared and it was in a respectful manner. I will certainly return with good news Mike!

•The Best

One of the best psychic I had, as I already had a couple of readings with him. He is very to the point and gives great clarifications about present situations. The accuracy of his readings is mindblowing. I do firmly believe that we are the master of our future and Michael is humble

enough to recognise that he is here to channel guidance and spirits messages. No "fortune telling". I totally recommend him :)

•**Advice on Point**

Michael is very good at reading what the cards say, interpreting the advice spirit has for me / us (the community) seeking an insight into situations as a whole. If you want some sound, true, honest advice, given by spirit, Michael delivers this. Thank you ♥

Bernadette83 09/06/2020 11:22:47

•**Great tarot reader.**

One of the best TAROT readers on here I have come across you don't need to say anything and he will just flow for the full reading. If your looking for a good old school tarot reading Michael is your man. Very positive uplifting person with a lovely energy. Take time to read your reading back after also as there is quite a lot of writing and it will make a whole lot more sense xxx thanks 😊

ML 08/06/2020 18:23:38

•**Awful**

Michael was very insensitive in his reading. Michael does not care what the person he's reading for may be going through at the time and there is no sense of care

Michael was very nice. He was very clear with my reading. I hope what my cards did reveal is the prediction of my future. Only time will tell.

You have to love Michael. Very honest, straight forward, do not give you sweet pills but the truth. Which is what I needed, I needed the truth and I needed a big push. Thanks so much Michael

Millilu 19/05/2020 11:12:21

•Very helpful, accurate and empathetic reading

I felt Mick read my situation well and provided encouraging but tempered advice based on the tarot, not just telling me what I wanted to hear. Would recommend. Thanks Mick

Kelly100 19/05/2020 08:11:14

•Shocking

Hello Maya. I am not willing to read for you as you simply closed the last four readings down after a few moments without even a farewell. This is the message I've just received from Michael. In fact, any time I try to read with him he seems to have a problem with something and it just wastes your money and time. I don't understand why it's so much about him when you try to read with him. If I pay for a question and ask and receive the answer and say thank you why does it need to be personal for me to say farewell etc are you paying me? Wow I am a very wonderful person as well as some readers do know on here and I just find Michael highly unprofessional and odd and just be aware if you even want to speak with him apparently you have to go through some long approval process. For paying customers I would not waste your energy on a reader who clearly does not just want to genuinely help others. You should think before sending messages like that to clients, and representing a company.

Mkultapa 17/05/2020 13:15:46

•Amazing as always!

I think my last reading with Michael was 16 months ago! I have to say I am as impressed now as I was then. He is keenly intuitive and calls it just like he sees it - with accuracy and diplomacy. He is focused entirely on you as the querent and gives an amazing amount of detail to his readings. He's also a super fast typer which allows the flow of an IM reading to be just as good as a voice chat! I can;t thank Micheal enough and won't be leaving it another 16 months - I would highly recommend that if you're looking for a spiritually guided reader who will assist you in your search for answers, you choose Micheal!

G-lou 29/04/2020 18:42:56

•Good fit/bad fit

Reading began by telling me I'm with this man because we're friends and "fit" together- but ended by saying we're a "lousy fit". Didn't recognise my situation in the reading. Adjusted interpretations

as I supplied more detail, but results confusing. Unfortunately not insightful or helpful. Not worth the money. I should have abandoned in early stages!

N14 29/04/2020 16:29:15

•OK, but did irritate me a little

I didn't like all the caveats in the readings nor the fact that it kept saying it is not fortune telling. But this is the point of a reading, kind of sus out a situation and the likelihood of success or not... Anyway, not bad, but not outstanding either

GAZELLINA 26/04/2020 20:58:09

•Amazing

Mick has read for me over the years and he gives honest compassionate advice and is straight to the point. I highly recommend and thank you again for today's reading.

Had few readings with Michael in the past few months and his predictions came to life beautifully. Tarot is really useful. I didn't believe before 100 percent but now I know. Thank you so much .♥

Saaandraaa 31/03/2020 09:18:21

•Nice guy but...

Very wishy washy. I may hear from him, I may not, there is hope, BUT there may not be, contact may come but only if he's on board (well that's a given) I can still hope for this hopeless aspiration for a relationship with, He's made his choice, but I can't say he won't come forward again because there is hope.....I thought it was a hopeless aspiration for a relationship? How can you have hope for something if it's a hopeless aspiration. I like things a bit more clear cut and less contradictory. I couldn't believe when the 3 minute message came up and I had only been given, he may or he may not, there's hope but it's a hopeless aspiration 🙄👩👨

Wonderful conversation I had with you Michael. Thank you for shedding so much light on a confusing and chaotic time! So informative with your reading and your answers were astonishingly spot on! Thank you for the reassurance and confidence.

Michael is an amazing person to come to for a reading when your in desperate need of some guidance. Michael read my tarot cards For me tonight and left me in a far better position than I was in when I first entered the reading. Michael made sense to me when there was no sense left in my life. I am not healed by a long way but I feel that after my reading with Michael I'm ready to take baby steps in starting that process in the right way instead of the path I was on xxx here's to me hopefully getting my seeds planted Michael and Thankyou from the bottom of my heart xxx

First of all, Mick, I am sorry that I hadn't realised the time was running out as I would have extended the session. This reading was very full and honest and Mick is a fast typer with lots to say. He gave me the fundamentals of my character and advice as to how to approach the situation I was asking about. I will find it useful as new appearances arise for me. Thank you Mick.

•**Wow... wow... wow**

I never really do reviews but my God. Very accurate. I had an IM reading and he was very honest, straight to the point. Without me having to explain much and only vague answers he answered

every single question I had in mind, very realistic and approachable. He randomly said the persons name I was thinking of without me typing it out or saying this when I asked about my love life. I was shocked and when I scrolled back to the whole chat. The person's name was not mentioned in the chat at all! I was MIND BLOWN. He described me to a T and my situation and gave very good advice too. He's the real deal and out of the pointless readings I've had, he's been the only accurate reader I've had in years. I PROMISE you, you won't regret it. You will come out of a reading with him saying... "finally, someone understands me, gets it, right to the point, is real, is accurate, answers my question, is realistic and actually helps me". Very good.

•**Evil, greedy, self-absorbed brother**

Saw truth of my situation and straight to point. Understood how i feel and how my problem is affecting me when no one else can truly understand the strain. I obviously have to prepare myself for the battle ahead.

•**Helpful & Insightful**

Michael was really helpful and insightful. He picked up on past, present and future and also offered me advice on how I can handle my situation once the manifestation comes into play. He needed no feeding/ prompting and yet still managed to pick up on my situation. I await your predictions to come into play and I am thankful. God bless.
